

2019 PROMATION NATIONAL ENDURO CHAMPIONSHIP

The 2019 Promotion National Enduro Championship will consist of national rounds in Alberta, BC, Quebec and the Ontario 3-day Promotion Corduroy Enduro (Sept 20, 21 and 22nd). Riders will only need to compete in the western rounds or the eastern round in Quebec, not both. All riders will compete at the Promotion Corduroy Enduro. This cuts down on travel costs and is superior to just having a stand alone 3 day national. The western and eastern national rounds will also provide a system for the series promoters to determine who will receive support and appearance money to get to the Promotion National Championship Corduroy Enduro.

The FMSQ will be holding the Quebec rounds at La Dore on July 27 and 28. Off-Road Ontario and the FMSQ will work together to ensure that provincial dates don't conflict for the Quebec National Enduro or the Corduroy National Enduro.

The event format (Enduro, XC etc.) and rules for the Alberta and BC rounds will be decided on by AMSA and the PNWMA. The PNWMA will hold a 1 day event in BC and the AMSA will hold a 1 day event in Alberta. It is not necessary to hold an enduro style event, an established long loop XC style 1 day event would be suitable as National Enduro events in Alberta and BC.

Points at the Alberta, BC and Quebec rounds will be half of the points at Corduroy Enduro because racers are only racing half of the country. When they get to the Promotion Corduroy Enduro they are racing the best riders from across the country.

Corduroy Points 30, 25, 22, 20, 18, 16, 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1. (3 days event, points paid each day. 90 points available).

Quebec, BC and Alberta points 15, 12, 10, 8, 6, 5, 4, 3, 2, 1. (Preliminary rounds will be 2 days, points paid each day. 30 points maximum available).

If a rider rides the Quebec, BC and Alberta rounds of the series, only the rider's best 2 days points will be used towards for the Promotion Corduroy National Enduro Championship.

Quebec, BC and Alberta rounds must run the National Enduro classes or submit results with riders reclassified to the following National classes:

PRO	WOMAN EXP
EXPERT	WOMAN A
INTERMEDIATE	WOMAN B
VET EXP +40	NOVICE A
VET A +40	NOVICE B
VET B +40	NOVICE C
VET C +40	SUPER VET +55

The Promotion Corduroy Enduro will be run under the jurisdiction of the Off-road Ontario rule book with the additions and exceptions noted in the Corduroy Supplementary Rules. These documents are available on the Off-road Ontario and Corduroy Enduro websites and will be updated closer to the actual Corduroy Enduro event date.

Only the Pro and Expert classes will compete for 3 days at the Promotion Corduroy Enduro, riding Friday, Saturday and Sunday. All other classes will compete for 2 days on Saturday and Sunday.

Motorcycles will be impounded immediately after Saturday's ride until 15 minutes before the start on Sunday morning. No impound will take place on Thursday or Friday nights.

Motorcycles do not require lights or any other street equipment. The bikes only require the applicable registration that is required to ride off-road in the entrant's home province or state.

Competitors must have a valid driver's license (motorcycle or car).
